

Introducing Fusion Connect

Delivering Full-stack Communications And Collaboration Solutions Tailored To Your Business Needs.

Focus on what you do best—selling flowers, shipping packages, or delighting guests—while we handle your communications. Fusion Connect simplifies your life by managing all your collaboration needs. We deliver a full suite—from network access to specialized add-ons—so you can focus on your business while we handle the complexity. One partner. Everything connected.

A Truly Complete Suite, All From Fusion Connect

Managed Network Access

Reliable, secure connectivity drives success. Fusion Connect delivers fully managed internet access with tailored options like SD-WAN, wireless, broadband, and satellite. With 24/7 monitoring and built-in redundancy, our services keep your business running smoothly and adapt as your needs evolve—ensuring performance, reliability, and peace of mind.

Collaboration Platforms

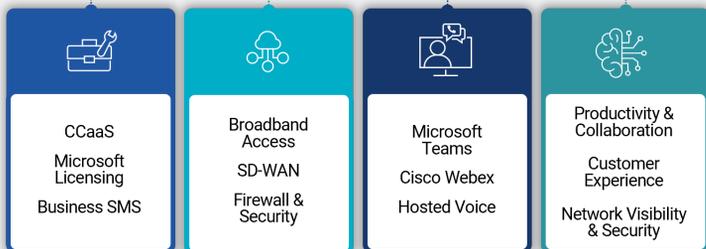

Fusion Connect matches you with the right collaboration platform for your business goals. Our UCaaS solutions integrate voice with Microsoft Teams, Cisco Webex, and more—empowering your team to communicate seamlessly, overcome challenges, and innovate effortlessly. We make collaboration simple, powerful, and tailored to your needs.

Specialized Add-on Solutions

Fusion helps you simplify operations and strengthen communications. Add CCaaS to UCaaS to improve performance and the customer experience. Optimize Microsoft CSP licensing with one invoice and effortless license management. Plus, integrate professional, compliant business texting into UCaaS for secure, modern communication—all in one unified solution.

Artificial Intelligence

At Fusion Connect, AI isn't just a buzzword—it's how we help you work smarter and stay connected. By embedding AI into our solutions, we simplify operations, enhance collaboration, and deliver proactive reliability. Partner with us to stay ahead in a fast-moving world with intelligent, practical tools.

Why Fusion Connect?

- F** is for Full Stack. We offer a complete set of products, all from one vendor. One contract, one number to call, one invoice. Zero finger pointing.
- U** is for USA. American made, American owned, American operated, American staffed. We're here because you prefer it that way.
- S** is for Support. We deliver a flawless experience, from Support, to On-boarding, to CX. We are long tenured, on-shore, deep experts in operations.
- I** is for Industry Leading Guarantees. We stand behind our products/services with the best guarantee in the industry, covering price, installation, and satisfaction.
- O** is for Obsessed, Customer Obsessed. In an industry where competitive products can often look the same, we are different. We make all decisions through the lens of our customer. We will do whatever it takes to do right by you.
- N** is for Network, Network Uptime. Fusion operates a fully-redundant, failover-proof network that delivers "five 9's" performance and a 100% uptime guarantee.

100% US-Based Support

Fully US-based support 24/7/365 ensures we are ready to respond quickly to any problem.

The Most Extensive Service Guarantees

Our guarantees are designed to provide peace of mind and ensure a world-class customer experience. We offer the industry's most comprehensive service guarantees, including Customer Satisfaction, Installation, Future-Proof Technology, Rate-lock, and 100% Uptime.
